

# TUSKAWILLA U. M. YOUTH PARENT VOLUNTEER Sign Up - Summer, 2009

Our summer youth activities depend on parent volunteers for chaperones and transportation. In the past, we've had to cancel activities due to lack of parental involvement. With over 50 active youth, if each parent volunteered **1 time / youth in the family**, we should have sufficient assistance. Please submit this form to the youth office by **June 23, 2009**. *We will contact you if we require your assistance.*
