

TUSKAWILLA U. M. YOUTH PARENT VOLUNTEER Sign Up - Summer, 2010

Our summer youth activities depend on parent volunteers for chaperones and **transportation. In the past, we've had to cancel activities due to lack of parental involvement.** With over 50 active youth, if each parent volunteered 1 time / youth in the family, we should have sufficient assistance. Please submit this form to the youth office by June 13, 2010. *We will contact you if we require your assistance.*
